

GIVE A DAMN? GIVE A CAN! PLEASE DONATE

MAY
6 Give a Damn, Give a Can - Sunday May 6,
2018

Details

To celebrate the 25th anniversary of this event, Give a Damn, Give a Can is moving to a more environmentally sustainable format.

So, this year there will be **NO PLASTIC BAG DISTRIBUTION!**

Rather, we want you to use bags, boxes and other recyclable containers that you already have at home to donate cans and non-perishable items to the event.

Volunteers from [Rotary Club of Bunbury Leschenault](#) and our friends will still come and collect from your homes on Sunday 6 May between 10am and 1pm, and will congregate at the [Graham Bricknell Music Shell](#) to distribute your donations to not-for-profit agencies including Bunbury Salvos, St Vinnies, [In Town Lunch Centre](#) for distribution.

There will also be multiple public venues where you can donate - more about these later - but they will include schools, council buildings and stores.
