January

Happy New Year!!!! We hope everyone had a happy festive season and break, time has slipped away again, and we have entered a new year. It didn't take long for the entire centre to return to our productive, supportive place with our wonderful team.

We were fortunate to have an extra week off in January, staff and volunteers enjoyed the extra rest and returned eager/ready to get back to work. We welcomed a new Volunteer to the team – Carol, who is fitting is just perfectly. We are still looking for a Cook on Monday's.

INTOWN CENTRE MISSION

STATEMENT

In Town Centre
Incorporated is a day
centre facility that
provides meals and
promotes caring
relationships and
positive participation
for all members of the
community.

February

This month we start planning for events throughout the year (this includes meeting with other agencies, looking at programs/projects that can assist our clients etc). It is lovely to meet with people 'face to face', as most times it's over the phone or via emails. This personal contact is beneficial to us.

Also at this time of the year we reflect on 'Past, Present, Future' of our partnerships, events and goals of the Centre to continue with our Mission Statement and the best ways to give support to those in need. We are very lucky in the Bunbury & Surrounding Regions to have great support services with dedicated people.

On a more serious point, the centre like all businesses operates with many expenses (electricity, gas, water etc), we rely on the support of the community to make monetary donations to pay these accounts. Not only does the centre provide meals, hampers etc but we also have a centre that allows social interaction which has been proven to lessen depression which many of clients have. All monetary donations are tax deductible.

Lastly, I cannot say enough 'thank you" to everyone who assists the centre.

The first meeting of the year was on the 8^{th} February, we welcomed three new members to the team. First item was to approve the increase of the cost of meals for clients, it has been $2\frac{1}{2}$ years since the last increase, this will start 1^{st} July. Second item is to hold a Strategic Meeting in April, this meeting will be to explore the 'past, present and future' needs of the centre in how we can support the community.

"Back to School – Backpacks" Appeal – 2023

We would like to thank all those that donated, even though the cost of living is going up. We have been fortunate in our community that there have been other agencies also assisting with supplying backpacks to those students needing assistance to get back to school.

A big thanks to Nay (and team) for the support of the centre over the last 2 months. Monetary donations accepted and appreciated.
